MEMORANDUM FOR: Chief, Policy and Plans Group

SUBJECT: Possible 4C Briefing for SECOM Membership

1. Chairman, DCI Security Committee, called me on 1 November 1984 to say that he has been hearing "rumors" from Intelligence Community members that the 4C System is not running and is not working properly. He believes this to be false, and suggests that Chief, Special Security Center, could be scheduled to brief the SECOM membership at the January or February 1985 SECOM Meeting.

2. We do not need bad press from other agencies, especially if it is undeserved. You may wish to discuss this with so that an appropriate 4C briefing can be put on the SECOM agenda.
